**INAUGURAL "WALK IN THE PARK"  
SPONSORSHIP OPPORTUNITIES**

**SUNDAY, SEPTEMBER 29, 2019  
VERONA PARK, NJ**

---

Minette's Angels Foundation is proud to announce its Inaugural "*Walk in the Park*" on September 29, 2019 to raise awareness and funds to continue our Mission. We provide assistance to breast cancer patients in treatment, support research and promote breast health awareness, which is vital to saving lives. We offer scholarships to nursing students at Seton Hall University's College of Nursing, a scholarship to a high school senior who has a parent that has been diagnosed with Breast Cancer and to a high school senior from Verona entering the medical field, placing a priority on nursing majors.

We expect this Walk to attract approximately 750 participants with teams of individuals, survivors and their families, hospitals, high schools, colleges, community organizations, small businesses and major corporations to learn, support and embrace Minette's Angels Mission. We invite you to join our community of Angels and to be part of this awesome event!
