Dear Friends:

It is my honor to announce Minette's Angels Foundation's Celebrating 20 Years of Acts of Kindness, Grand Cocktail Reception. On behalf of myself, Rita Mughetto our Event Chair and The Board of Trustees, please join us at The Park Savoy Estate in Florham Park, NJ for a special evening on May 10, 2023.

What started out as a simple mission of helping breast cancer patients and survivors in Verona has grown into so much more, as we now have assisted women and men in over 40 different communities and continue to expand.

It is because of the generosity of our many supporters that we have been able to thrive and grow our mission with scholarship programs at Seton Hall University College of Nursing, Verona High School seniors entering the medical field and our recently introduced Impact Scholarship for high school seniors affected by breast cancer with more to come.

We hope you will join with us in any way you are able and THANK YOU for being an integral part of our journey. We are very grateful. Remember....there is an Angel inside all of us and Angels walking by our side every day!

Sincerely yours,

A handwritten signature in black ink that reads "Ken McKenna". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
